

BUY A TREMONT LAKES FISHING PERMIT

ONLINE OPTIONS - read instructions to the end.

(Options include smartphone use, computer, email or calling in)

We are available by phone to provide assistance with this process.

Go to our website www.tremontpark.org

Use the membership tab to purchase a fishing license and follow the prompts. If using a smartphone you will be allowed to upload a picture of your valid 2020 Illinois Fishing License. If using a computer you may scan and email it to us at tapdfacres@gmail.com

Once you complete your waiver and transaction online you will receive a receipt. This receipt can function as your permit. We can also email you a permit that you can print and carry.

If you are unable to upload the license, please continue the online permit application including your license number and process the payment. We will then contact you regarding processing your permit.

We can only provide pick up in our parking lot. Our office is closed to walk in visitors.

For members that do not wish to enter information on line you may call the office at 925-3811 or email us your information at tapdfacres@gmail.com. We will call you and take the information over the phone, process the payment over the phone and give you the instructions to complete the permit application process.

Other Options:

We will have the standard permit application forms in the entryway of the park district office at the Fitness Center. You may complete the form and drop the form and payment in the drop box provided. Our staff will contact you and complete the permit application process.
